

ALI-LINE

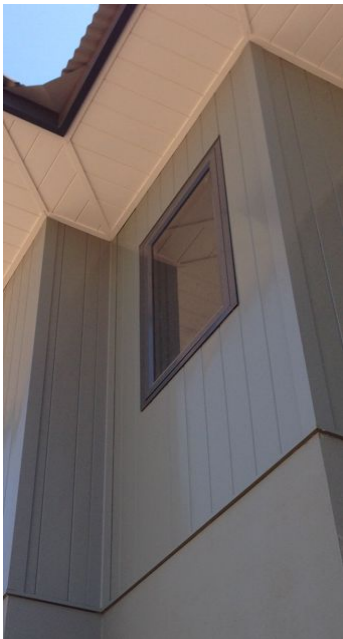

LINING SOLUTIONS

WE'VE GOT YOU COVERED

Ali-line is an aluminium lining system that is easy and simple to use. With no need for glue or nails and is prefinished so it's ready to go straight up.

The unique design allows the lining boards to be removed without damage to access services and utilities with ease or to reposition a downlight. The lining boards can be installed over insulation to give the required R-code rating

Ali-Line is a long lasting low-maintenance versatile product that is strong and durable because it's Aluminium, it looks great and will last for generations to come. Whether its for an Alfresco Ceiling, Carport, Feature Panelling or Commercial application, inside or out, Ali-Line is your answer.

FEATURES

- + 100% Australian owned
- + Water resistant
- + Insect resistant
- + Low maintenance
- + Quick to install
- + Multitude of colours and wood grain styles to choose from
- + Long lengths to eliminate joins
